9 Terms of payment

All stand and space booking invoices are due without deduction immediately after the date they were issued. The execution of this contract and its countersigning by **Messe Duesseldorf Connex Gulf Exhibition Organizing L.L.C** is deemed conclusive evidence of the exhibitors agreement to pay the full fees due. The application is non-cancellable by the exhibitor. Invoices for miscellaneous services or for supplies ordered separately are due at the time the services were rendered or the supplies provided, but not later than the date they were issued.

All due dates are to be fully complied with. The full and timely payment of the participation fee by the due date is the pre-requisite for taking possession of the exhibition space by the exhibitor. No factual deviation from this rule shall be deemed to be a waiver or postponement of payment. Any objections to the invoice shall only be considered if made within 14 days of the date of the invoice and in writing.

The total amount of the invoice is to be paid in full (100%). However, when permitted a down payment of 50% will be levied upon receipt of the application form, and this down payment is not refundable. The remaining 50% must be settled four months prior to the opening day of the exhibition. Booking forms received within those four months will be invoiced at 100%. The exhibitor will not have access to the exhibition grounds without full payment on the organizer's account.

Cancellations within the four-month period will be charged a 100% cancellation fee. Prior to the four-month period, a 50% cancellation fee will be applied. All payments mentioned above are due within 14 days of receipt of the corresponding invoice. The form must be stamped and signed by an authorized signatory of the company. Please make sure to keep one copy of the contract for your files.

10 Exhibition programme/ sales regulations

EuroShop Middle East 2026 is a business to business event. Direct selling is prohibited. The sale of exhibits on the last day in particular is forbidden before 5.30 p.m. In the case of infringements, Messe Duesseldorf Connex Gulf Exhibition Organizing L.L.C reserves the right to exclude the relevant exhibitors from the following event.

11 Stand design

Stand walls, floors, the walls of the halls, columns, installations (water, electrical, etc.) and fire protection installations may not have things stuck or nailed to them or be painted or damaged in any other way. Any damages occurring are to be borne by the exhibitor and will be charged to the exhibitor. Any installations (water, electrical, etc.) and fire protection installations and columns located within the allocated stand area are to be left accessible at all times. Floor coverings must be fixed to the floor with the aid of double-sided tape.

12 Exhibitor Entry

The standard catalogue entry, website entry, and exhibition app entry are free of charge. For advertising and sponsorship opportunities, please contact our sales and sponsorship team.

13 Combating product piracy

The exhibitor makes a binding and irrevocable declaration that the products exhibited by him were created by himself or that the products are admissible copies or reproductions of other suppliers or other third parties.

Furthermore, the exhibitor undertakes to respect the preferential industrial property rights of third parties. If the exhibitor is informed of such an infringement of property rights in a proper manner during participation at the event, the exhibitor undertakes in advance to remove products affected by this from his stand.

The exhibitor takes explicit note that, in the event of an infringement of this obligation, Messe Duesseldorf Connex Gulf Exhibition Organizing L.L.C is entitled to exclude the exhibitor from further participation at the ongoing or future events if the relevant conditions in accordance with the special conditions of participation of the event are fulfilled.

14 Exhibitor passes

The exhibitor passes are exclusively for the exhibitor, his/her stand staff and representatives. In the case of misuse the passes will be withdrawn without replacement.

Every exhibitor will receive 3 exhibitor passes, free of charge, for a stand measuring up to 20 m². One extra exhibitor pass will be made available for each additional 20 m², or part thereof, up to a maximum of 60 passes. Additional exhibitor passes for which the exhibitor will be invoiced can be ordered from Messe Duesseldorf Connex Gulf Exhibition Organizing L.L.C in due course.

2 exhibitor passes, free of charge, will be made available to each co-exhibitor on payment of the co-exhibitor fee.

15 Derogations / Additions

For the entire duration of EuroShop Middle East 2026 exhibitors must ensure continuous service, i.e. all stands must contain the relevant exhibits at the set opening hours and must be staffed by a professional workforce.

No permission is given for the removal of exhibits or for the dismantling of stands until the end of the event. If this regulation is breached, the organizer may require the exhibitor to pay a conventional penalty of € 5,000 and is also entitled to claims for damage compensation.

16 Stand Type Availability and Adjustments

While the organizer will make every effort to provide the stand type chosen by the exhibitor, it is understood that unforeseen circumstances may occasionally prevent us from guaranteeing the exact stand configuration initially requested. In such instances, the organizer reserves the right to allocate a different stand type of comparable quality and size.

If the allocated stand type results in a lower participation fee than originally invoiced, the organizer will either refund the difference in cost or, at the exhibitor's option, provide equivalent compensation in the form of promotional or marketing benefits when applicable. This adjustment shall be the exhibitor's sole remedy, and the organizer shall not be liable for any further claims, damages, or liabilities arising from the change in stand type.

I hereby confirm that I have read, understood, and accepted the **Special Conditions of Participation**, including all related acknowledgments, guidelines, and regulations outlined in this Application Form

By signing this contract, we accept as binding in all parts the Special Conditions for Participation and General Terms and Conditions EuroShop Middle East 2026

City, Date : _____ / ____ / _____ Signature, company stamp of the Exhibitor _____

B General Conditions of Participation

1 Definitions and General Provisions

1.1 These General Terms and Conditions govern participation in the exhibition EuroShop Middle East 2026 (hereinafter referred to as the “Event”) organized by Messe Düsseldorf Connex Gulf Exhibition Organizing L.L.C., a limited liability company duly incorporated and licensed in the United Arab Emirates (hereinafter referred to as the “Organizer”).

1.2 The term “Exhibitor” shall mean any individual, company, or legal entity that submits a signed application form and is accepted by the Organizer to participate in the Event. This includes main exhibitors, co-exhibitors, sub-exhibitors, and any parties represented by them.

1.3 The submission of the signed application form by the Exhibitor shall constitute a binding commitment to participate in the Event and to accept, without limitation, the terms outlined in these General Terms and Conditions, the Special Conditions for Participation, the Technical Guidelines, the stand construction rules, and any directives or regulations issued by the Organizer or the venue authority (Dubai World Trade Centre – DWTC).

1.4 The Organizer reserves the right to amend these General Terms and Conditions, the Technical Guidelines, or other official documents at any time for legal, regulatory, or operational reasons. Such updates shall be communicated to the Exhibitor in writing or electronically and shall be deemed accepted unless the Exhibitor objects within seven (7) days of notification.

1.5 Any conflicting terms or conditions submitted by the Exhibitor shall not be binding on the Organizer unless explicitly accepted in writing.

2 Application and Admission

2.1 Applications to exhibit at EuroShop Middle East 2026 must be made using the official application form issued by Messe Düsseldorf Connex Gulf Exhibition Organizing L.L.C. All sections of the form must be completed truthfully, fully, and legibly, and the form must be signed with legally binding effect by an authorized representative of the Exhibitor.

2.2 By signing and submitting the application, the Exhibitor makes a binding offer to participate in the Event. The Organizer is under no obligation to accept the application. Acceptance is subject to availability of space and alignment with the overall exhibition concept.

2.3 The contract between the Exhibitor and the Organizer shall be deemed concluded upon written confirmation of acceptance (admission) by the Organizer. The admission may be granted in the form of an email, fax, or physical document. The Organizer is entitled to impose conditions or limitations within the admission and to alter stand size, layout, or location if necessary for operational or logistical reasons.

2.4 The Organizer reserves the right to reject any application without providing reasons. Applications may be refused in particular if:

- The products or services intended to be exhibited do not match the Event’s thematic scope.
- The Exhibitor has outstanding financial obligations from previous events organized by Messe Düsseldorf group or its affiliates.
- The application contains incomplete, false, or misleading information.

2.5 The admission is valid only for the Exhibitor named therein and for the products or services listed in the application. Exhibitors may not assign, sublet, or otherwise transfer their allocated stand space, either in full or in part, without prior written approval from the Organizer.

2.6 The Organizer may withdraw admission at any time prior to the Event if the requirements for admission are no longer met, or if legal, safety, or financial concerns arise. In such cases, the Organizer shall not be liable for compensation, except for any participation fees already paid, which shall be refunded after deduction of any administrative or bank charges.

3 Participation Fees and Payment Terms

3.1 Upon confirmation of admission, the Exhibitor shall be obligated to pay the full participation fees, which consist of:

- The stand space rental fee (shell scheme or raw space)
- Any compulsory service fees (e.g. registration fee, insurance package, waste disposal)
- Charges for additional services (furniture, power, digital marketing, stand design, etc.)
- Any applicable taxes or government-mandated charges

3.2 All fees are payable in United Arab Emirates Dirhams (AED), unless expressly agreed otherwise in writing. The Organizer may, at its discretion, accept payment in Euros or U.S. Dollars for foreign participants, based on a fixed exchange rate provided at the time of invoicing.

3.3 The Organizer will issue an invoice upon admission. Unless otherwise stated on the invoice, full payment is due within fourteen (14) days of the invoice date. Participation and access to the venue may be denied if full payment is not received by the deadline.

3.4 Any objections to the invoice must be submitted in writing within five (5) working days of receipt. Thereafter, the invoice shall be deemed accepted.

3.5 In the event of late payment, the Organizer may:

- Charge late payment interest at the standard commercial banking rate in the UAE (currently no less than 1.5% per month)
- Suspend or revoke the Exhibitor’s right to occupy the stand
- Reallocate the stand to another party
- Retain the Exhibitor’s payment as liquidated damages, subject to Clause 5 (Cancellation and Withdrawal)

3.6 The Organizer reserves the right to retain any goods or stand materials on site as a possessory lien until all outstanding payments are settled. Storage, handling, and resale of retained goods will be at the Exhibitor’s cost and risk, and proceeds will be applied toward outstanding debts.

3.7 The Exhibitor shall bear all costs related to bank transfer fees, foreign currency exchange, and taxes related to their payments, ensuring the Organizer receives the full invoiced amount.

4 Cancellation and Withdrawal

4.1 Once the Exhibitor has been admitted and the contract is concluded, the Exhibitor is obligated to pay the full participation fees unless cancellation is made in accordance with the following terms.

4.2 A cancellation by the Exhibitor must be submitted in writing and shall only be effective upon written acknowledgment by the Organizer. Verbal cancellations or withdrawals are not valid under any circumstances.

4.3 In the event of cancellation by the Exhibitor, the following charges shall apply:

- 50% of the total participation fee shall be due if the cancellation is received more than four (4) months prior to the official first day of the Event.
- 100% of the total participation fee shall be due if the cancellation is received less than four (4) months before the Event.
- If the Exhibitor fails to occupy the stand space without prior written cancellation, the Organizer is entitled to charge the full participation fee plus any applicable surcharges for cleaning, dismantling, or security.

4.4 The Organizer shall have the right to cancel the Exhibitor’s participation with immediate effect in the event of:

- Non-payment of invoices within the prescribed deadline.
- Submission of false, misleading, or incomplete information in the application.
- Breach of any provision of these Terms and Conditions or the Technical Guidelines.
- Bankruptcy, insolvency, or liquidation proceedings being initiated against the Exhibitor.

4.5 In such cases, the Organizer may retain any payments already made and reallocate the stand without further notice. The Exhibitor shall not be entitled to any refund, compensation, or damages, and shall remain liable for any unpaid balance.

4.6 The Organizer is entitled to resell or reassign the cancelled stand space at its discretion. This shall not release the original Exhibitor from its financial obligations under these terms.

B General Conditions of Participation

5 Force Majeure and Organizer's Right to Cancel

5.1 The Organizer shall not be liable for any delay, cancellation, rescheduling, reduction in duration, or relocation of the Event caused by force majeure or any circumstances beyond its control, including but not limited to:

- Acts of God, natural disasters, epidemics or pandemics
- War, terrorism, civil unrest, or government-imposed travel bans
- Strikes, labor disputes, or transport disruptions
- Acts or regulations of any public authority or municipality
- Closure, unavailability, or partial shutdown of the Dubai World Trade Centre or surrounding infrastructure

5.2 In the event of force majeure:

- The Organizer may reschedule or relocate the Event within a reasonable timeframe and venue, and the Exhibitor shall remain bound by the participation contract.
- If the Event is cancelled entirely due to force majeure, the Organizer may deduct a cost contribution of up to 25% of the participation fee for incurred costs, and refund the remainder.
- No liability shall arise on the Organizer for damages, lost profit, compensation, or indirect losses.

5.3 If the Organizer is compelled to reduce the duration of the Event after it has already begun, due to the above-mentioned causes, the Exhibitor shall not be entitled to any refund or compensation.

5.4 Should the Organizer voluntarily cancel the Event for reasons not classified as force majeure, the Exhibitor shall be entitled to a full refund of participation fees already paid. Any additional costs (e.g. stand construction, travel, shipping) incurred by the Exhibitor shall not be reimbursed.

5.5 The Organizer reserves the right to make minor adjustments to the exhibition schedule, layout, or operating hours where necessary to ensure safety, improve logistics, or comply with DWTC or government directives. Such changes shall not entitle the Exhibitor to terminate the agreement or seek compensation.

6 Stand Allocation, Use, and Construction Guidelines

6.1 The allocation of stand location, size, and layout is determined exclusively by Messe Düsseldorf Connex Gulf Exhibition Organizing L.L.C. based on the overall concept and space availability. The Organizer reserves the right to relocate stands, adjust dimensions, or make modifications to the exhibition floor plan at any time, provided such changes do not unreasonably disadvantage the Exhibitor.

6.2 The Exhibitor has no legal claim to a specific stand location, even if preferences were stated in the application. Requests for relocation or exchanges of location are subject to Organizer approval and may incur administrative charges.

6.3 The stand must be used solely for the exhibition of the products and services listed in the Exhibitor's approved application. The display or promotion of third-party companies, brands, or products not included in the application is strictly prohibited without prior written consent from the Organizer.

6.4 The Exhibitor shall be responsible for the design, construction, and dismantling of their stand in accordance with:

- The Technical Guidelines issued by the Organizer,
- All DWTC regulations, and
- UAE civil defense, fire, and safety codes.

6.5 Stand structures must not exceed the permitted height limits (typically 2.4m for shell scheme and up to 4m for raw space unless approved). Any use of rigging, platforms, external walls, or covered ceilings must receive prior written approval and be submitted with detailed stand drawings no later than four (4) weeks before the Event.

6.6 Exhibitors booking "space-only" stands must submit full stand design plans and risk assessments by the Organizer's deadline and obtain approval before beginning construction. Failure to do so may result in the stand being refused access to the venue or dismantled at the Exhibitor's expense.

6.7 The Organizer may impose on-site penalties or instruct the removal of any structures or materials that pose a safety risk, violate regulations, or obstruct neighboring stands, aisles, or emergency exits.

6.8 It is the Exhibitor's responsibility to ensure all contractors, suppliers, and sub-contractors engaged by them comply fully with the Organizer's and DWTC's safety, security, and access protocols.

7 Sub-Exhibitors, Shared Stands, and Third-Party Representation

7.1 The inclusion of sub-exhibitors, co-exhibitors, or companies represented on the Exhibitor's stand is subject to the prior written approval of Messe Düsseldorf Connex Gulf Exhibition Organizing L.L.C. and must be clearly declared in the application form or via separate notification prior to the Event.

7.2 A sub-exhibitor is any legal entity or brand, other than the main contracting Exhibitor, that is visibly represented on the stand by logos, signage, products, personnel, or printed material.

7.3 If a shared stand is approved, the main Exhibitor shall remain fully responsible for compliance with all contractual obligations on behalf of their sub-exhibitors or represented parties. This includes payment, insurance, behavior, and adherence to the Technical Guidelines and DWTC rules.

7.4 Each sub-exhibitor must pay a sub-exhibitor registration fee, as indicated in the price list. This covers administrative handling, inclusion in the exhibitor directory, and name badges.

7.5 Unauthorized inclusion of sub-exhibitors, shared representation, or undeclared third-party promotion will result in the following:

- Immediate removal of the undeclared party from the venue,
- A penalty fee equivalent to the full participation fee per unauthorized brand,
- And, if necessary, the termination of the participation contract with the main Exhibitor.

7.6 Messe Düsseldorf Connex Gulf Exhibition Organizing L.L.C. reserves the right to publish and disclose the list of all officially admitted Exhibitors and sub-exhibitors in printed, digital, and online formats for promotional or operational purposes.
